RE: Financial disclosure

Dear Mr. Ra,

I am in receipt of your letter and attached form with regard to a Financial Disclosure Statement for 2017.

As the President of CSEA Local 880 I am an employee who is lawfully on full release from duties and obligations consistent with any civil service position in the Town of Hempstead. In that I held this position at all times relevant in 2017 and continue to do so in 2018, I am exempt from any duty or obligation to file disclosure forms.

However, I do recognize that should I return to a position with duties and responsibilities consistent with a civil service position within the Town of Hempstead that I could be required to comply with a reporting protocol at that time.

Thank you for your time and attention to this matter.

Best regards,

Charles R. Sellitto
