A local law to create a new section 146-8 of Chapter 146 of the Code of the Town of Hempstead entitled "Hazardous Excavations", in relation to prohibiting certain excavations on private property by governmental agencies, except upon due notice to the property owner.

Introduced by:

Be it enacted by the Town Board of the Town of Hempstead as follows:

Section 1. Chapter 146 of the code of the town of Hempstead, as constituted by Ordinance No. 38 adopted June 14, 1955, hereby is amended insofar as to create and insert a new section 146-8 thereof to read as follows:

Chapter 146  
Hazardous Excavations

\* \* \*

§ 146-8. Certain Excavations on Private Property.

- A. No agency, department or unit of federal, state or local government shall enter upon private property to conduct any excavation thereon for purposes including but not limited to environmental testing or remediation, except upon not less than two weeks written notice, mailed to the owner of the subject private property by certified mail, return receipt requested, at the subject premises, and to the owner's last known address, if it is different location from the subject private premises.
- B. The said notice shall state the reason for the excavation, the scope of the work, the date that work shall be commenced, the hours during which work shall be performed, and the approximate date of completion.
- C. This section shall be construed as to supplement and not supplant any and all applicable regulations of the agency performing the excavation, and nothing herein shall relieve such agency from the obligation to follow any and all such regulations that are otherwise applicable in regard to performing excavations on private property, including but not limited to any requirement to obtain the consent of the owner and/or any other party or entity prior to commencing work.

§ 2. This local law shall become effective immediately upon filing with the secretary of state.
