Case #14509

Town of Hempstead

A local law to amend Section 86-12, of Chapter 86 of the Code of the Town of Hempstead, entitled "Building Construction Administration," in relation to the issuance of building permits and the regulation of construction within the Town of Hempstead.

Introduced by: Councilwoman Goosby

Be it enacted by the Town Board of the Town of Hempstead as follows:

Section 1. Section 86-12 of Chapter 86 of the code of the town of Hempstead, as constituted by ordinance number fifty five of nineteen hundred sixty-two, adopted September twenty-fifth, nineteen hundred sixty-two, hereby is amended insofar as to add subsections 86-12-G (1) and (2), which shall henceforth read as follows:

Chapter 86
Building and Construction Administration

* * *

§ 86-12-G

1. Legislative Intent.

It has been established that variations in the building permit application process between municipalities can be an impediment to the advancement of deploying solar energy on Long Island. For the benefit of the public and to promote the most efficient use of energy resources, the Town of Hempstead is a partner community in the NY Solar Smart Program, working to reduce impediments to solar installation and to enable solar market growth. The Long Island Power Authority's "solar energy system fast track permit application" is a standardized permit for use by all Long Island municipalities that simplifies and streamlines the permitting of small-scale photovoltaic systems and increases consistency and transparency in permitting. It is vital that the Town of Hempstead participate in that process.

2. Residential Solar Photovoltaic System.

A building permit application for a Residential Solar Photovoltaic System shall require the submission of a fast track permit application, based on the Long Island Power Authority's "solar energy system fast track permit application" pursuant to the New York State Energy Research and Development Authority's Cleaner Greener Long Island Sustainability Plan.

Section 2. This local law shall become effective immediately upon filing with the secretary of state.

NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that the Commissioner of General Services of the Town of Hempstead has prepared revised parking field maps for the following locations, which revisions consist of the adoption of the following public parking field maps showing the adoption of two (2) "Parking Only for Healthcare Workers of 10 Grassy Lane" signs with arrows in parking field L-2, (Northern Section-Eastern Area) Levittown; all in accordance and with Section 80-4 of the Code of the Town of Hempstead.

PLEASE TAKE FURTHER NOTICE that a public hearing will be held at the Town Meeting Pavilion, Hempstead Town Hall, 1 Washington Street, Village and Town of Hempstead, New York, on the 8th day of September, 2015, at 10:30 o'clock in the forenoon of that day, to consider the adoption of the following revised public parking field maps:

LEVITTOWN
L-2

Hempstead Tpke. & Division Ave.
Parking Field

East End Turnpike
Public Parking District
(TH-371/15)

Copies of the proposed public parking field maps are on file in the office of the Town Clerk of the Town of Hempstead, Hempstead Town Hall, 1 Washington Street, Hempstead, New York.

ALL INTERESTED PERSONS shall have an opportunity
