Town of Hempstead

Petition

---

In the Matter of Application

Of

John E. Rottkamp, Commissioner of Buildings  
Of the Town of Hempstead

Against

**James Ackerman**  
**911 Ocean Avenue**  
**Baldwin, NY 11510**

The petition of John E. Rottkamp, Commissioner of Buildings of the Town Of Hempstead shows:

1. That pursuant to Local Law 92-1981, adopted October 27, 1981, effective date November 2, 1981, which repealed and reenacted Chapter 90 of the code of the Town of Hempstead entitled, "Dangerous Buildings and structures," petitioner submits the following:
2. The structure or structures located on premises designated as Section 54, Block 392 and lot number (s) 2416-2417, on the Land and Tax Map of the county of Nassau, are in a condition unsafe and dangerous to public safety.
3. All parties of interest have been apprised of the condition of the said structure and have been requested to correct the same. More than 60 days have elapsed since the aforementioned notice was given.
4. The parties in interest were advised that a hearing before this Town Board would take place on **July 5, 2016**.
5. As no effort to correct the existing unsafe and dangerous condition has been made, it is requested that this Town Board render a decision that the premises are unsafe and dangerous, a fire hazard and a public nuisance, and that the Commissioner of Buildings forthwith **DEMOLISH AND REMOVE THE DETACHED GARAGE AND PORCH, AND REMOVE ALL LITTER AND DEBRIS FROM PROPERTY: LOCATED ON THE NORTH SIDE OF ADAMS STREET, 240 FEET EAST OF GRAND BOULEVARD, BALDWIN, N.Y.11510, A/K/A 941 ADAMS STREET, BALDWIN TOWN OF HEMPSTEAD IN ACCORDANCE WITH SURVEY RECOMMENDATIONS ATTACHED HERETO AND THAT THE TOWN BE REIMBURSED PURSUANT TO SECTION 90-13 OF THE CODE OF THE TOWN OF HEMPSTEAD.**

Case No #6542

CASE NO.

RESOLUTION NO.

Adopted:

offered the following resolution and moved its  
adoption:

RESOLUTION AUTHORIZING THE DEMOLITION AND REMOVAL OF THE DETACHED GARAGE AND PORCH, AND REMOVAL OF ALL LITTER AND DEBRIS FROM PREMISE: SAID PREMISE LOCATED ON THE NORTH SIDE OF ADAMS STREET AND 240 FEET OF GRAND BOULEVARD, SECTION 54, BLOCK 392, AND LOT(S) 2416-2417, AKA 941 ADAMS STREET, BALDWIN, TOWN OF HEMPSTEAD, NEW YORK.

WHEREAS, pursuant to Chapter 90 of the Code of the Town of Hempstead entitled, "Dangerous Buildings and Structures," all parties in interest were advised of the existing condition of the structures located on the said captioned premises and;

WHEREAS, all of the said parties have had an opportunity to be heard before this Town Board; and

WHEREAS, the Town Board deems it to be in the public interest to complete the above captioned project;

NOW, THEREFORE, BE IT

RESOLVED, that detached garage and porch located on the north side of Adams Street and 240 feet east of Grand Boulevard, Section 54, Block 392 and Lot (s) 2416-2417 A/K/A 941 Adams Street, Baldwin, Town of Hempstead, New York is hereby deemed to be unsafe; and

RESOLVED, that the Commissioner of the Department of Buildings of the Town of Hempstead be and he hereby is authorized and directed to initiate the above captioned project located on said premise.

to wit:

THE TOWN BOARD OF THE TOWN OF HEMPSTEAD (THE "TOWN"), IN THE COUNTY OF NASSAU, NEW YORK, HEREBY RESOLVES (by the favorable vote of not less than two-thirds of all members of said Town Board) AS FOLLOWS:

Section 1. Based upon the review of this action by the Town, the Town Board hereby determines that it is a "Type II Action" under the State Environmental Quality Review Act and therefore no further environmental review is required.

Section 2. The Town is hereby authorized to finance the cost of various building alterations for the animal shelter in the Town a class "A" building, as such term is defined in the Law herein defined. The estimated maximum cost of said object or purpose, including preliminary costs architectural and planning cost and costs incidental thereto and the financing thereof, is \$225,000, and said amount is hereby appropriated therefor. The financing thereof includes the issuance of \$225,000 serial bonds of the Town to finance said appropriation and the levy and collection of taxes on all taxable real property in the Town to pay the principal of said bonds and the interest thereon as the same become due and payable.

Item # 11  
Case # 14186

Section 3. Serial bonds of the Town in the principal amount of \$225,000 are hereby authorized to be issued pursuant to the provisions of the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York (herein called the "Law") to finance said appropriation.

Section 4. The following additional matters are hereby determined and declared:

(a) The period of probable usefulness of the aforesaid object or purpose for which said \$225,000 serial bonds authorized pursuant to this resolution are to be issued within the limitations of subdivisions 13 of paragraph a of Section 11.00 of the Law, is ten (10) years.

(b) The proposed maturity of the bonds authorized by this resolution will exceed five (5) years. It is hereby further determined that the foregoing is not an assessable improvement.

Section 5. Each of the bonds authorized by this resolution and any bond anticipation notes issued in anticipation of the sale of said bonds shall contain the recital of validity as prescribed by Section 52.00 of the Law and said bonds and any notes issued in anticipation of said bonds, shall be obligations of the Town, payable as to both principal and interest by general tax levied and collected from all the taxable real property within the Town without limitation of rate or amount. The faith and credit of the Town are hereby irrevocably pledged to the punctual payment of the principal of and interest on said bonds and any notes issued in anticipation of the sale of said bonds and provision shall be made annually in the budget of the Town by appropriation for (a) amortization and redemption of the bonds and any notes in anticipation thereof to mature in such year and (b) the payment of interest to be due and payable in such year.

Section 6. Subject to the provisions of this resolution and of the Law, and pursuant to the provisions of Section 21.00, Section 30.00, Section 50.00, Sections 56.00

to 60.00 and Section 63.00 of the Law, the powers and duties of the Town Board relative to authorizing the issuance of any notes in anticipation of the sale of the bonds herein authorized, or the renewals thereof, determining whether to issue bonds with substantially level or declining annual debt service, prescribing the terms, form and contents of the bonds herein authorized, bond anticipation notes issued in anticipation of said bonds and the renewals thereof, and any other powers or duties pertaining to or incidental to the sale and issuance of the bonds herein authorized, bond anticipation notes issued in anticipation of said bonds and the renewals thereof, are hereby delegated to the Supervisor, as the chief fiscal officer of the Town.

Section 7. The validity of the bonds authorized by this resolution and of any notes issued in anticipation of the sale of said bonds, may be contested only if:

(a) such obligations are authorized for an object or purpose for which said Town is not authorized to expend money, or

(b) the provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with,

and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or

(c) such obligations are authorized in violation of the provisions of the Constitution.

Section 8. This resolution, when it takes effect, shall be published in full or in summary form in "LONG ISLAND BUSINESS NEWS," a newspaper published in Ronkonkoma, New York, having a general circulation within said Town and hereby designated the official newspaper of the Town for such publication, together with a Notice in substantially the form as prescribed by Section 81.00 of the Law.

Section 9. This resolution is adopted subject to permissive referendum.

BOND RESOLUTION OF THE TOWN OF HEMPSTEAD, NEW YORK, ADOPTED \_\_\_\_\_, 2016, AUTHORIZING THE FINANCING OF THE UNDERGROUND TANK MANAGEMENT PROJECT WITHIN THE TOWN, STATING THE MAXIMUM COST THEREOF IS \$150,000, APPROPRIATING SAID AMOUNT THEREFOR, AND AUTHORIZING THE ISSUANCE OF \$150,000 SERIAL BONDS OF SAID TOWN TO FINANCE SAID APPROPRIATION

The following resolution was offered by \_\_\_\_\_,  
who moved its adoption, seconded by \_\_\_\_\_

to wit:

THE TOWN BOARD OF THE TOWN OF HEMPSTEAD (THE "TOWN"), IN THE COUNTY OF NASSAU, NEW YORK, HEREBY RESOLVES (by the favorable vote of not less than two-thirds of all members of said Town Board) AS FOLLOWS:

Section 1. The applicable provisions of the State Environmental Quality Review Act have been complied with to the extent required for the above titled purpose.

Section 2. The Town is hereby authorized to finance the costs associated with the Underground Tank Management Project relating to underground tank remediation within the Town. The estimated maximum cost of said class of objects or purposes, including preliminary costs and costs incidental thereto and the financing thereof, is \$150,000, and said amount is hereby appropriated therefor. The financing thereof includes the issuance of \$150,000 serial bonds of the Town to finance said appropriation and the levy and collection of taxes on all taxable real property in the Town to pay the principal of said bonds and the interest thereon as the same become due and payable.

Section 3. Serial bonds of the Town in the principal amount of \$150,000 are hereby authorized to be issued pursuant to the provisions of the Local Finance Law,

Item# 22  
Case# 19246

constituting Chapter 33-a of the Consolidated Laws of the State of New York (herein called the "Law") to finance said appropriation.

Section 4. The following additional matters are hereby determined and declared:

(a) The period of probable usefulness of the aforesaid class of objects or purposes for which said \$150,000 serial bonds authorized pursuant to this resolution are to be issued within the limitations of subdivision 88 of paragraph a of Section 11.00 of the Law, is ten (10) years.

(b) The proposed maturity of the bonds authorized by this resolution will exceed five (5) years. It is hereby further determined that the foregoing is not an assessable improvement.

Section 5. Each of the bonds authorized by this resolution and any bond anticipation notes issued in anticipation of the sale of said bonds shall contain the recital of validity as prescribed by Section 52.00 of the Law and said bonds and any notes issued in anticipation of said bonds, shall be obligations of the Town, payable as to both principal and interest by general tax levied and collected from all the taxable real property within the Town without limitation of rate or amount. The faith and credit of the Town are hereby irrevocably pledged to the punctual payment of the principal of and interest on said bonds and any notes issued in anticipation of the sale of said bonds and provision shall be made annually in the budget of the Town by appropriation for (a) amortization and redemption of the bonds and any notes in anticipation thereof to mature in such year and (b) the payment of interest to be due and payable in such year.

Section 6. Subject to the provisions of this resolution and of the Law, and pursuant to the provisions of Section 21.00, Section 30.00, Section 50.00, Sections 56.00 to 60.00 and Section 63.00 of the Law, the powers and duties of the Town Board relative to authorizing the issuance of any notes in anticipation of the sale of the bonds herein

authorized, or the renewals thereof, determining whether to issue bonds with substantially level or declining annual debt service, prescribing the terms, form and contents of the bonds herein authorized, bond anticipation notes issued in anticipation of said bonds and the renewals thereof, and any other powers or duties pertaining to or incidental to the sale and issuance of the bonds herein authorized, bond anticipation notes issued in anticipation of said bonds and the renewals thereof, are hereby delegated to the Supervisor, as the chief fiscal officer of the Town.

Section 7. The validity of the bonds authorized by this resolution and of any notes issued in anticipation of the sale of said bonds, may be contested only if:

- (a) such obligations are authorized for an object or purpose for which said Town is not authorized to expend money, or
- (b) the provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with,

and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or

- (c) such obligations are authorized in violation of the provisions of the Constitution.

Section 8. This resolution, when it takes effect, shall be published, in full or in summary form, in "LONG ISLAND BUSINESS NEWS", a newspaper published in Ronkonkoma, New York, having a general circulation within said Town and hereby designated the official newspaper of the Town for such publication, together with a Notice in substantially the form as prescribed by Section 81.00 of the Law.

Section 9. This resolution is adopted subject to permissive referendum.

**RESOLUTION AUTHORIZING THE SUPERVISOR TO EXECUTE AN APPLICATION FOR FUNDING FOR SEAFORD ROAD RAISING WITH NEW YORK STATE COMMUNITY DEVELOPMENT BLOCK GRANT DISASTER RECOVERY PROGRAM.**

**WHEREAS**, the Town of Hempstead is a subrecipient receiving New York State Community Development Block Grant-Disaster Recovery (CDBG-DR) funds, as administered by the Housing Trust Fund Corporation, Governor's Office of Storm Recovery (GOSR) to assist in addressing unmet needs from either Hurricane Irene, Tropical Storm Lee, or Superstorm Sandy; and,

**WHEREAS**, GOSR has prepared an Application for funding for a project known as Seaford Road Raising, in which the Town is requesting CDBG-DR funding to reconstruct approximately 3,800 feet of local residential streets that were impacted by said storms; and,

**WHEREAS**, it is in the best interest of the Town of Hempstead to submit the Application for Funding to GOSR;

**NOW, THEREFORE, BE IT**

**RESOLVED**, that the Supervisor is hereby authorized to execute and submit the aforesaid New York State Community Development Block Grant-Disaster Recovery (CDBG-DR) Application for Funding for the Seaford Road Raising Project.

Low and moderate income persons for area benefit activities were determined using the 2006-2010 American Community Survey.

Percentages for race and ethnicity for area benefit activities were determined using the Census 2010 SF-1 100% data, Tables P3-Race, and P4-Hispanic or Latino Origin.

## ACTIVITY BENEFICIARY JUSTIFICATION

In order to meet low- and moderate-income (LMI) benefit, at least 51% of the area's residents must be LMI. However, some communities have few, if any, areas in which 51% of the residents are LMI. In the case of Superstorm Sandy, the United States Department of Housing and Urban Development (HUD) has granted the State of NY a waiver under the Community Development Block Grant-Disaster Recover (CDBG-DR) program. The waiver applies to entitlement communities that have few, if any, areas within their jurisdiction that have 51% or more LMI income residents; per the requirements of 42 U.S.C. 5305(c)(2)(A), these communities are allowed to use a percentage less than 51% to qualify activities under the LMI area benefit category. This exception is referred to as the exception criteria or the upper quartile. HUD assesses census block groups to determine whether an entitlement community meets the exception criteria. For communities that qualify, the department identifies the alternative percentage (i.e., the lowest proportion) the community may use, instead of 51%, for the purpose of qualifying activities under the LMI area benefit. HUD advises the entitlement community accordingly. Periodically, HUD updates the LMI summary data used to identify the exception criteria; disaster recovery grantees are required to use the most recent data available in implementing the exception criteria.

The data below includes the most current HUD CDBG-DR capped exception threshold for Nassau County. This percentage represents the minimum of LMI persons that must reside in the project target area for the activity to be assisted with CDBG-DR funds using the HUD national objective of benefiting low- and moderate-income persons. For this project, Nassau County has an exception of 37.98%.<sup>1</sup>

The Town of Hempstead's Seaford Road Raising project has an LMI population of 28.73% and therefore, **does not qualify under the national objective of benefiting low- and moderate-income persons.**

PROJECT NAME: Seaford Road Raising

PROJECT DESCRIPTION: Page 1 of 4

## PROJECT DESCRIPTION

### Comprehensive Description:

The Town of Hempstead is requesting CDBG-DR funding to reconstruct approximately 3,800 ft. of local residential streets that are currently experiencing tidal flooding: Miami Street, Anchor Place, Plover Place, Widgeon Place, and Anglers Place. Sections of these existing roadways are currently at or below elevation 3.75 NGVD, making them susceptible to varying levels of tidal flooding from the adjacent Seaman's Creek, Treasure Lagoon, and James Creek. The intent of the project is to reconstruct the roads with a minimum gutter elevation of 5.50 NGVD, making them significantly less susceptible to tidal flooding and elevating up to 2,160 ft. of roadway that is currently below National Weather Service (NWS) Moderate Coastal Flood Elevation.

The project design could include the replacement of concrete curbs and sidewalks, improvements to the storm drain system, installation of check valves, and reconstruction of street end bulkheads as necessary. The raising of the roadway grade will have a direct impact on the frontages of private properties throughout the project area. The design may also include the re-grading and installation of storm drain inlets on private property. Any potential impacts to private property will be evaluated during the environmental review process and measures implemented to minimize impacts.

These roads and surrounding area were flooded during Hurricane Irene and Superstorm Sandy and the area has suffered monthly tidal flooding since Hurricane Irene and Superstorm Sandy struck in 2011 and 2012, respectively. Significant flooding also occurs during major rainstorms at high tide. This continual flooding directly affects the safety and quality of life in the Community and adversely impacts property values.

This project does not involve the construction of a new facility or modifications or repairs to an existing facility. There are no historic or landmark properties impacted by this project. Temporary construction easements will be required for this project, which will trigger URA.

### Project Context:

The improvements to the streets of Miami Street, Anchor Place, Plover Place, Widgeon Place, and Anglers Place is a separate project and does not rely on any other projects that trigger CDBG-DR requirements.

### Beneficiaries/Public Benefit/Target Area:

The beneficiaries of the project would include residents of Miami Street, Anchor Place, Plover Place, Widgeon Place, and Anglers Place. The benefits to the residents include:

- Risk Reduction and Resiliency: The drainage system improvements will reduce both episodic flooding and the likelihood of road flooding during a storm event. The reduced risk extends to

PROJECT NAME: Seaford Road Raising

PROJECT DESCRIPTION: Page 2 of 4

private property in the neighborhood, reducing the likelihood of recurring property damage to buildings and vehicles, as well as the risk of injury due to the collapse of buildings.

- Health and Social: Emergency vehicles are impeded by flooded roads from reaching residents creating a risk to their safety. Flooding also often results in a disruption in road based services, including curbside garbage collection, mail service, and school buses. Residents' lives are affected when one has to plan departing and returning to home around the tide schedule. Maintaining clear roads will improve access for residents who may require shelter, supplies, or assistance. It will also improve access for recovery crews and equipment following a storm, improving emergency response times and accelerating local recovery. Economic benefits will include improvements in local property values.

#### Recovery Rationale:

The Seaford Community was impacted by both Hurricane Irene and SuperStorm Sandy. The heavy rainfall and storm surge from Hurricane Irene caused extensive flooding in Seaford and neighboring Wantagh, particularly in areas south of Merrick Road. The southbound Seaford-Oyster Bay Expressway at Sunrise Highway was closed the morning after the storm due to flood conditions on the roadway.

Superstorm Sandy also caused damaging storm surges through the Target Area which led to extensive and prolonged flooding and extensive road closures. The storm surge in neighboring Freeport, the closest recorded measurement, was 7.85 feet above the normal astronomical tide level closing Merrick Road at the Seaford Oyster Bay Expressway, and Merrick Road.

Raising street levels and bulkheads will protect Seaford neighborhoods from the severe tidal flooding experienced during Superstorm Sandy and Hurricane Irene as well as the flooding during monthly high tides which have become common since both storms.

Sections of these existing roadways are currently at or below elevation 3.75 NGVD National Geodetic Vertical Datum (NGVD), making them susceptible to varying levels of tidal flooding from the adjacent Seaman's Creek, Treasure Lagoon, and James Creek. The continual flooding, which damage both homes and vehicles, has directly affected the Community's quality of life, as well as safety, and property values have suffered.

The project protects and enhances ongoing recovery efforts by protecting vulnerable assets from recurrent flood damage. This project improves the quality of life for the property owners and their families by reducing the impacts of flooding and increasing safety, while the Town benefits from obtaining road and infrastructure improvements with limited local expenditure.

#### Description of Construction Involved:

Transportation infrastructure improvements related to this project will be performed on existing streets in Seaford. Any new construction will not change the project footprint more than 20%. Construction may involve the following:

PROJECT NAME: Seaford Road Raising

PROJECT DESCRIPTION: Page 3 of 4

- Reconstruct the roads with a sufficient minimum gutter elevation of 5.50 NGVD.
- Replace concrete curbs and sidewalks, improve the storm water drainage system, install check valves at outfalls, and rebuild street-end bulkheads to prevent flooding.
- Install new storm drain inlets at property frontages to prevent negative construction impacts on private properties.

An environmental review identifying impacts and mitigation is required. The level of any environmental review will be determined by the Governor's Office of Storm Recovery (GOSR), and the environmental review will be conducted and managed by GOSR, as NEPA/SEQRA Lead Agency. Engineering plans and an environmental assessment will be submitted to regulatory agencies for review and permit approval in accordance with federal, state, and local regulations.

Responsibility for Operations and Maintenance:

The Town of Hempstead will be responsible for the operation and maintenance of the project after completion. The planned sources of revenue to be used for operation and maintenance expenses will be the Town of Hempstead's operational budget.

Description of Acquisition Involved:

Temporary construction easements complying with URA requirements are anticipated. If during the engineering design phase, it is determined additional property is needed, the Town will comply with the Uniform Relocation and Assistance Act in acquiring property or rights-of-way.

Mitigation Plan:

During the design process, engineers will give special consideration to construction measures that protect the streets from storm surge and wave overtopping. This may include, but not limited to installing check valves at outfalls, and rebuilding street-end bulkheads to prevent flooding.

Engineers will give special consideration to resiliency and design techniques to handle future flood conditions and tidal surge similar to that experienced during Hurricane Irene and Superstorm Sandy. They will also include consideration of sea level rise and increased frequency and intensity of extreme weather events (climate change) in establishing project elevations, capacities and overall designs.

Engineers will utilize storm and wave barrier best management practices during project design and will continue during construction, resulting in more resilient infrastructure.

CDBG-DR Eligibility:

This project is eligible as a *Public Facilities and Improvements* activity pursuant to Section 105(a)(2) of the Housing and Community Development Act (HCDA), which stipulates that CDBG-DR funds may be used by the grant recipient for "acquisition, construction, reconstruction, or installation (including

PROJECT NAME: Seaford Road Raising

design features and improvements with respect to such construction, reconstruction, or installation that promote energy efficiency) of public works, facilities (except for buildings for the general conduct of government), and site or other improvements.”<sup>5</sup>

HUD Matrix Code 03K - Street Improvements

The Disaster Relief Appropriations Act, 2013 (Pub. L. 113-2, approved January 29, 2013) (Appropriations Act) makes available \$16,000,000,000 in Community Development Block Grant (CDBG) funds for necessary expenses related to disaster relief, long-term recovery, restoration of infrastructure and housing, and economic revitalization in the most impacted and distressed areas resulting from a major disaster declared pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act of 1974 (42 U.S.C. 5121 et seq.) (Stafford Act), due to Hurricane Sandy and other eligible events in calendar years 2011, 2012, and 2013.

CDBG-DR National Objective:

The national objective for this project is *urgent need*.

Pursuant to 24 CFR 570.483(d), activities under this project are “designed to meet community needs having a particular urgency,” thus qualifying the project under the national objective of *urgent need*. As noted in the relevant HUD guidance, to comply with this national objective, an activity must be designed to alleviate existing conditions, which the local government certifies and the state determines:

- Pose a serious and immediate threat to the health or welfare of the community;
- Are of recent origin or recently became urgent;
- The community is unable to finance the activity on its own; and
- Other sources of funding are not available to carry out the activity.

Pursuant to FR-5696-N-01, HUD waived the certification requirements for this national objective for CDBG-DR funding. Instead, each grantee receiving an award under the Notice must document how all programs and/or activities funded under the *urgent need* national objective responds to a disaster-related impact. Grantees must reference in their action plan the type, scale, and location of the disaster-related impacts that each program and/or activity is addressing.”<sup>6</sup>

The Seaford Wantagh NY Rising Community Reconstruction Plan<sup>7</sup> demonstrates that the project/activity meets the CDBG-DR national objective of *urgent need*.

DUPPLICATION OF BENEFITS QUESTIONNAIRE

Subrecipient: Town of Hempstead

Project Name: Seaford Road Raising

Federal regulations require a duplication of benefits (DOB) analysis for projects receiving U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant-Disaster Recovery (CDBG-DR) support to ensure that subrecipients do not receive more funds for a project than are needed. Subrecipients must report all assistance they have received for a project from such sources as insurance, Small Business Administration (SBA), Federal Emergency Management Agency (FEMA), and other local, State, or Federal programs, and private or nonprofit charitable organizations. Any funds received from these sources for this project must be considered when the amount of the CDBG-DR grant is determined. While inclusion in a long-term capital plan does not constitute a DOB, if a project has been included in the subrecipient's annual budget, there may be DOB. CDBG-DR is a funding source of last resort, and should funds become available for a project in the future such that some or all of the CDBG-DR funds budgeted for the project would constitute a duplication of benefits, those CDBG-DR funds will be disallowed or, if outlaid, must be returned to the Governor's Office of Storm Recovery (GOSR). Please consult with GOSR staff if you have any questions regarding whether a potential DOB exists. Please use the chart below to describe the funds the subrecipient has received and/or committed for the project.

## **I. Town of Hempstead:**

This assessment will include measuring the IS support required to meet key 2016 Supervisor's initiatives which will be discussed in detail later.

Finally, this review will seek the input of senior staff from major departments, along with any other individuals whom you may designate. The objective will be to ascertain the Information Services support requirements of those departments and levels of satisfaction.

## **II. MAJOR TOWN INITIATIVES**

Through a series of discussions and document reviews, we expect to capture prioritized lists of:

- Supervisor initiatives
- Town Department initiatives and major projects
- Cost reduction opportunities

Reviews of Strategic Operating Plans will be compared to the Information Services Plans, to measure alignment. The latter plans should mirror the former, in terms of prioritizing the deployment of IS resources.

## **III. SCOPE OF ASSIGNMENT:**

Perform a detailed review and assessment of the Town of Hempstead Information Services Department, with emphasis on both current effectiveness and long term viability. The latter topic will focus on the ability of Information Service (IS) to align itself with the Supervisor's stated objectives.

The evaluation of Information Services will include, but not be limited to, departmental organization and staffing, technologies employed, data center operations, network management, desktop support, and application development. Each of these categories will be further broken down for detailed evaluation, as outlined below.

We anticipate a 60-day time frame, which will include interviews with key staff from the agencies cited below, along with in-depth discussions with Information Services staff. We will provide progress briefings every two weeks. Deliverables will include specific recommendations for:

- Immediate performance improvements
- Organization and staffing changes, if warranted
- New technology direction, where feasible and cost effective

#### IV. INTERVIEW PROCESS

As noted above, Infosys International, Inc. will seek the input of the Supervisor and his deputies. In addition, we will seek out:

- Department Commissioners and senior staff
- "I.S. Coordinators" who have been appointed or who have evolved, by virtue of skills and experience.

We will evaluate the project request process, project justification requirements, application development participation, user training, and savings achievement. Interview Guide attached, page 6.

#### V. MANAGEMENT STRUCTURE

The assessment will address the Town's oversight processes, as they relate to Information Services initiatives and performance:

- Development of the IS Operating Budget
- Development of the IS Capital Budget
- Role of the Executive Steering Committee
- Role of the Capital Committee
- Role of the Project Steering Committee ( major automation initiatives)

This analysis is concerned not only with the effective oversight of the Information Services function, but also with the availability to IS of County management for staffing, funding, and prioritizing support.

## VI. SPENDING/INVESTMENT ANALYSES

We will analyze the current IS Spending and Investments, with regard to:

- IS Operating Budget
- IS Capital Budget
- Investment Analyses
  1. Project ROI(s)
  2. Savings Achievement
  3. Budgets changed to incorporate savings
  4. Formal Savings Plans
- Spending Trends, State and Local Government
  1. Capital as % Total IS budget
  2. Operating as % Total County Budget
  3. Application Development vs. Maintenance
  4. Shared Services/Facilities
- Chargeback Opportunities
- NYS Support

## VII. INFORMATION SERVICES

We will analyze the current IS Service Model, along with its Strategic Plan and 2016 Business Plan, with a view towards:

- Immediate performance improvements where feasible, cost effectiveness
- Potential new technology direction (Cloud Computing, Outsourcing, Shared Services)

We will conduct detailed reviews as follows:

- Department Organization
  1. Staffing
  2. Hierarchy
  3. Management Skills
- Application Development
  1. Project Intake
  2. Approval Process
  3. Prioritization
  4. Technology deployed

Town of Hempstead

A local law to update and modify various sections of Chapter 80 of the Code of the Town of Hempstead.

Introduced by:

Be it enacted by the town board of the town of Hempstead as follows:

Section One. Chapter 80 of the Code of the Town of Hempstead is amended insofar as to modify section 80-6(F) and insert new paragraph G, to read as follows:

Chapter 80  
Public Parking Fields

\*\*\*

§ 80-6. Licenses; to whom issued.

\*\*\*

F. Where required, licenses shall be applicable on a daily basis from 6:00 a.m. to 1:00 p.m., prevailing time, or as otherwise posted, except Saturdays, Sundays and holidays.

G. If the Town Clerk shall determine after due investigation and based upon a preponderance of the evidence that a permit holder has sold, transferred, lent, or otherwise furnished a permit granted hereunder to any person other than to whom the permit was issued, then the Town Clerk may revoke the permit issued to the permit holder and prohibit the permit holder from obtaining a new permit until (a) a penalty not to exceed \$750 is paid to the Town of Hempstead by the permit holder, and/or (b) not less than one year has elapsed from the date of the Town Clerk's determination. The Town Clerk may waive or reduce the said one year period on the basis of substantial hardship shown.

Section Two. Chapter 80 of the Code of the Town of Hempstead is amended insofar as to add a new sub-paragraph (15) to paragraph B of section 80-8 of Chapter 80 of the Code of the Town of Hempstead, in relation to prohibiting vehicles from parking other than "head in" in parking fields which require a resident parking permit, to read as follows:

Chapter 80  
Public Parking Fields

\*\*\*

§ 80-8. Prohibitions.

\*\*\*

B. In addition to any other prohibition stated in the provisions of this chapter, it shall be unlawful for any person to:

\*\*\*

(15) Back a vehicle into a parking space. All vehicles parked in parking fields that require a parking permit shall be parked "head in" so that the rear of the vehicle is parked closest to the traffic lane from which the vehicle entered into the parking space. The presence of any vehicle parked in a manner other than "head in" shall constitute a violation hereof, subject to the penalties set forth in this chapter.

Section Three. Chapter 80 of the Code of the Town of Hempstead is amended insofar as to modify the language of section 80-11 to read as follows:

Chapter 80  
Public Parking Fields

\*\*\*

§ 80-11. Penalties for offenses.

Unless otherwise provided for herein, any person, association or corporation committing an offense against this chapter is guilty of an offense punishable by a fine of not more than \$750 for each such offense. Such fine shall be collected as like fines are collected pursuant to the rules of the District Court of Nassau County.

Section Four. This local law shall become effective immediately upon filing with the secretary of state.
