MEMORANDUM OF UNDERSTANDING (MOU)
Between Molloy College and the Town of Hempstead

This Memorandum of Understanding (MOU), dated September ____, 2020, is made by and between Molloy College, an educational institution chartered by the New York State Board of Regents located in Rockville Centre, New York and the Town of Hempstead, a municipal corporation having its principal office at One Washington Street, Hempstead, New York 11550 (the "Town").

WITNESSETH

WHEREAS, Molloy and the Town have a shared vision for our community. Both entities have a deep commitment to the people of the Town, to the importance of a highly educated workforce, and to the belief that an educated population is best able to fully participate in civic life; and

WHEREAS, to further these shared aspirations, Molloy and the Town agree to a collaboration designed to allow Town employees, and one dependent child of a Town employee, to earn a degree from Molloy at a discounted tuition rate; and

WHEREAS, the tuition discount is in recognition that the workforce of the Town has dedicated their lives to public service and are deserving of an educational financial benefit that would help them and their families stay and thrive in the Town.

NOW, THEREFORE, the parties agree as follows:

The following points will be our guiding principles for this program:

1. Molloy College

- a. Molloy College will provide comprehensive services to support students/employees throughout their academic career as available to every Molloy College student, including:

- b. Application fee will be waived for employees using the designated waiver code.

2. Qualified Employee

In addition, Molloy College may request such additional information from the dependent and/or the Town employee as it may reasonably require in order to establish that the dependent qualifies for the Tuition Benefit.
- b. Each qualified employee will be responsible for the payment of tuition for each semester, as set forth in the Molloy College catalog and herein. Each qualified employee who is verified by the Town of Hempstead's Human Resources representatives will receive a 30% discount on tuition for enrollment in one of Molloy College's designated undergraduate, graduate or certificate programs as set forth in Addendum A for the semester for which the student/employee wishes to enroll. The 30% Town of Hempstead employee discount is inclusive of all private aid scholarship given by Molloy and is not additive with other Molloy College scholarships. However, federal, state, local, and other forms of private financial aid are allowable in combination with this 30% discount.
- c. In order to be accepted into the program, each employee must meet the admission requirements for the program for which he/she is applying as set forth in the appropriate Molloy College catalog. Notwithstanding any other provision of this Agreement, Molloy College is under no obligation to accept for enrollment in any course or matriculation into any degree program any employee of the Town of Hempstead. All decisions with respect to admission to Molloy College shall be made solely by the employees and officers of Molloy College and shall be final in all respects.
- d. The student/employee is responsible for the payment for all fees as specified in the catalog and on the Molloy College website at <https://www.molloy.edu/admissions/tuition-and-fees>.
- e. The student/employee is responsible to pay the discounted tuition and fees by the payment due date specified on the bill.

RESOLUTION ADOPTING S.E.Q.R. NEGATIVE DECLARATION AND DETERMINATION OF NON-SIGNIFICANCE IN CONNECTION WITH THE PROPOSED AMENDMENT OF SECTION 433 OF CHAPTER XLIII OF THE BUILDING ZONE ORDINANCE IN RELATION TO THE INCLUSION OF CERTAIN PARCELS INTO THE NEIGHBORHOOD BUSINESS (NB) OVERLAY DISTRICT IN INWOOD, NEW YORK.

WHEREAS, a Full Environmental Assessment Form and Supplement was prepared to assess the impacts associated of the Proposed Action, an amendment to the Neighborhood Business (NB) Overlay District. The Proposed Action would extend eligibility of the NB Overlay District further west to the intersection of Mott Avenue and Rockaway Turnpike - adding eight (8) parcels or approximately 1.7 acres to the NB Overlay District. Overall, based on foregoing environmental analysis, the Proposed Action does not have the potential for any significant adverse environmental impacts; and

WHEREAS, the primary intent of the NB Overlay District is to extend the Transit Oriented District (TOD) along the adjacent commercial corridors to create a "Main Street" that meets the demand for mixed-use development that incorporates housing and commercial uses in a walkable environment. The NB Overlay District will serve as a transition area between high density housing found in the areas around the LIRR stations and the detached and attached residential housing found within the rest of the neighborhood. The Proposed Action furthers these goals, as it is a mixed commercial/residential/industrial corridor located in close proximity to both the Lawrence and Cedarhurst LIRR stations and provides an opportunity to expand mixed-use development opportunities; and

WHEREAS, the introduction of overlay districts does not directly change the existing zoning or land uses found in those eligible areas but creates a mechanism that could potentially change existing land uses in the future. The Neighborhood Business (NB) Overlay District introduces the ability to have parcels with both residential and commercial uses, rather than only commercial. This helps create a walkable, transit-accessible "Main Street" corridor that is an extension of the TOD district; and

WHEREAS, the Mott Avenue and Rockaway Turnpike intersection has a mix of several different uses, both commercial/light-industrial, as well as residential. Rockaway Turnpike is a main thoroughfare for the area and its inclusion in the NB Overlay District allows the benefits of a vibrant, neighborhood-scale mixed-use area to expand further throughout North Lawrence; and

WHEREAS, the Proposed Action, an amendment to the NB Overlay District that extends the eligibility of the overlay district to eight (8) additional parcels, would help to expand both potential community and economic benefits to a larger area within North Lawrence. These parcels are located at a highly visible, high traffic intersection and in close proximity to both the Lawrence and Cedarhurst LIRR stations (located less than one-half mile from both stations), as well as a NICE bus stop. Given this level of visibility, along with immediate transit and transportation access, this location advances the goals of the NB Overlay District; and

WHEREAS, the expansion of the NB Overlay District represents sound public policy and advances the smart growth strategies adopted by the Town Board in Resolution Nos. 465-2019 and 466-2019 and as outlined above, foresee additional community benefits associated with the expansion of this overlay district;

RESOLVED, that the Proposed Action, which is the amendment of the Neighborhood Business (NB) Overlay District the existing underlying zoning districts in the hamlets of North Lawrence and Inwood, is an Unlisted Action pursuant to 6 NYCRR Part 617; and be it further,

RESOLVED, based upon the foregoing, the Town Board finds that the Proposed Action would not create any potential impacts associated with new development resulting from the new zoning districts and would not result in any significant adverse impacts to the environment; and, be it further,

RESOLVED, this determination is issued in consideration of the Criteria for Determining Significance contained in SEQRA Part 617.7(a)-(c); and be it further,

RESOLVED, the Town Board finds the environmental documentation is complete, the Proposed Action will not result in significant adverse environmental impacts and as a result, a Negative Declaration is determined to be appropriate for this project.
